## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF INTEGRAL NURSERY AND PRIMARY SCHOOL REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

### **Our opinion**

In our opinion, Integral Nursery and Primary School ('the company's') financial statements give a true and fair view of the financial position of the School as at 31 December 2024, and of its financial performance for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Companies and Allied Matters Act, the Pension Reform Act and the Financial Reporting Council of Nigeria Act.

### **What we have audited**

#### **Integral Nursery and Primary School financial statements comprise:**

- the statement of financial position as at 31 December 2024;
- the statement of comprehensive income for the year then ended 31 December 2024;
- the notes to the financial statements, which include a summary of significant accounting policies.
- Annex to the Financial Statement

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Independence**

We are independent of the company in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards), i.e. the IESBA Code issued by the International Ethics Standard Board for Accountants. We have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

**Other Information**

The directors are responsible for the other information. The other information comprises the Corporate Information, but does not include the financial statement and our auditor's report there on.

Our opinion on the financial statement does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statement, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibilities of the directors and those charged with governance for the financial statements**

The directors are responsible for the preparation of the financial statements that give a true and fair view in accordance with International Financial Reporting Standards and the requirements of the Companies and Allied Matters Act, Pension Reform Act, the Financial Reporting Council of Nigeria Act, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the school's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the school or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the school's financial reporting process.

## **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's opinion report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of the financial statements.

**As a part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the school's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern.
- If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the school to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements.
- represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **Report on the other legal and regulatory requirements**

**The Companies and Allied Matters Act requires that in carrying out our audit we consider and report to you on the following matters. We confirm that:**

- i. We have obtained all the information and explanations to the best of our knowledge and belief were necessary for the purposes of our audit.
- ii. The school has kept proper books of account, so far as appears from our examination of those books and returns adequate for our audit have been received from branches not visited by us.
- iii. The school's statements of financial position and statement of comprehensive income are in agreement with the books of account.
